

THE BOARD OF DIRECTORS' PROPOSAL FOR RESOLUTION ON AN ISSUE AUTHORISATION

The board of directors proposes that the meeting resolves on an issue authorisation according to the following.

The board of directors is to be authorised to, on one or more occasions until the next annual general meeting, resolve on issue of new shares, issue of convertibles, issue of warrants and/or a combination of these, so called units. An issue can be decided with or without regard of shareholders' pre-emption rights.

This authorisation is to include the right to resolve on issues with cash payment, payment by way of set-off or payment by contribution in kind, and otherwise subject to conditions as set out in Chapter 2, section 5, second paragraph 1–3 and 5 of the Swedish Companies Act. Warrants may be issued without consideration.

The board of directors, or its nominee, is entitled to decide on any minor changes in the resolution of the general meeting that may be required when registering the resolution with the Swedish Companies Registration Office, Euroclear Sweden AB or due to other formal requirements.

A resolution in accordance with this proposal is valid only if supported by shareholders holding at least two-thirds of both the votes cast and the shares represented at the meeting.
